One Of These Nights

Par The Eagles

Album : Their Greatest Hits (1971-1975) (1993 DCC Gold GZS-1039)

One of these nights

One of these crazy old nights

We're gonna find out

Pretty mama

What turns on your lights

The full moon is calling

The fever is high

And the wicked wind whispers

And moans

You got your demons

You got desires

Well, I got a few of my own

Oo, someone to be kind to in

Between the dark and the light

Oo, coming right behind you

Swear I'm gonna find you

One of these nights

One of these dreams

One of these lost and lonely dreams

We're gonna find one

One that really screams

I've been searching for the daughter

Of the devil himself

I've been searching for an angel in white

I've been waiting for a woman who's a little

Of both

And I can feel her but she's nowhere

In sight

Oo, loneliness will blind you

In between the wrong and the right

Oo, coming right behind you

Swear I'm gonna find you

One of these nights
