# Plug Myself In

Par The Fall

*Album : A World Bewitched: Best of 1990-2000*

Hey-ahmmmmmm!

Hup!

Dictum:

Shout! wey! [etc.]

Convicts are out

And the security are in

**I just can't seem to plug myself in**

Myself in

Mob equals roam

Ring your answer

Dry hump

Clip clop

Appliances are broken

Nobody around to fix them

**I just can't seem to plug myself in**

Myself in

Myself in

[etc.]

A round of lilac proposed coloured droplets

And sweet molasses

Droplets

Spacebag

Jet-lag
