Baby Now That I've Found You

Par The Foundations

Album : 60`s, Volume 2

Baby, now that I've found you, I can't let you go

I'll build my world around you

I need you so

Baby, even though you don't need me

You don't need me

Baby, now that I've found you, I can't let you go

I'll build my world around you

I need you so

Baby, even though you don't need me

You don't need me

Baby, baby, since first we met

I knew in this heart of mine (I want to tell you)

The love we had could not be bad

And I played it right and bide my time

Spent a lifetime looking for somebody

To give me love like you

Now you've told me that you wanna leave me

(Darling, I just can't let you)

Baby, now that I've found you, I can't let you go

I'll build my world around you

I need you so

Baby, even though you don't need me

You don't need me

Baby, now that I've found you, I can't let you go

I'll build my world around you

I need you so

Baby, even though you don't need me

You don't need me

Spent my lifetime looking for somebody

To give me love like you

Now you've told me that you wanna leave me

(Darling, I just can't let you)

Baby, now that I've found you, I can't let you go

I'll build my world around you

I need you so

Baby, even though you don't need me

You don't need me

Baby, now that I've found you, I can't let you go

I'll build my world around you

I need you so

Baby, even though you don't need me

You don't need me

Baby, now that I've found you, I can't let you go

I'll build my world around you

I need you so

Baby, even though you don't need me

You don't need me

Baby, now that I've found you, I can't let you go

I'll build my world around you

I need you so

Baby, even though you don't need me

You don't need me
