Born To Love You

Par The Jackson 5

Album : The Jackson 5 - Diana Ross Presents The Jackson 5

(I. Hunter, W. Stevenson)

Lead vocals: Jermaine

Girl, as you walk by

I see the sign so deep inside.

I knew it had to be

When you smiled for a little while.

I heard the same rhapsody

So lovely and so fair.

I knew right then and there

That you were made for me.

And it wasn't hard to see

Guess I was born to love you.

Guess I was born to love you.

Darling I, I was born to love you

Give my love to no one but you.

This is a man with the future in his hands

Don't let go, don't let go,

Baby, don't let go.

You better come on

And take my hand

'Cause I can't understand

This feeling in my soul

But I know that I would rather die

Than to let this feeling go

Oh, now, girl, can you see

That this was meant to be?

It's funny but it's true

Guess I was born to love you.

Guess I was born to love you.

Guess I was born to love you.
