Highway Chile

Par The Jimi Hendrix Experience

Album : 1975 - Midnight Lightning/Crash Landing

Yeah, his guitar slung across his back

His dusty boots is his Cadillac

A flamin' hair just a blowin' in the wind

Ain't seen a bed in so long, it's a sin

He left home when he was seventeen

The rest of the world he had longed to see

And everybody knows boss

A rolling stone gathers no moss

Now you'd probably call him a tramp

But it goes a little deeper than that

He's a...

Highway Chile

Yeah!

Now some people say he had a girl back home

Who messed around and did a bit a wrong

They tell me it kinda hurt him bad

Kinda made him feel pretty sad

I couldn't say what went through his mind

Anyway, he left the world behind

Everybody knows the same old story

In love or war you can lose your glory

Now you'd probably call him a tramp

But I know it goes a little deeper than that

He's a...

Highway Chile

Walk on, brother!

Yeah

Whoa whoa!

Yeah

One more brother

His old guitar slung across his back

His dusty boots is his Cadillac

Flamin' hair just a-blowin' in the wind

Ain't seen a bed in so long, it's a sin

Now you may call him a tramp

But I know it goes a little deeper then that

He's a...

Highway chile

Walk on, brother

Don't let no one stop you

Highway Chile

Yeah, yeah, yeah

Highway Chile

Rollin' stone

Rollin' down the highway

Rollin'

Highway Chile

Yeah, yeah

Highway Chile

Yeah, yeah

Ow!
