A COLD PLAY

Par The Kid LAROI

Album : A COLD PLAY

Who was I to think that I could fix you, baby? (Who?)

Who would I be if I didn't miss you, baby? (Who?)

I hope you know you were appreciated

Around my house, I still got up all of our pictures, baby, mm (yeah)

'Cause I still love you, that's how I feel at my core (core)

Flew different states to come see you in between tour (tour)

I gave you everything I had, and even more (more)

Just understand, it's not like me to give my heart away, ay

Now, you've taken distance, and it's hard to take, ay

I tried everything to get your thoughts to change, ay

I tried not to listen when they all would say, ay

This was temporary, and you'd walk away

It'll always be easy to blame you

But it's my fault for thinkin' I could

Fix you, fix you, fix you, fix you, ooh

Fix you, fix you, fix you, wish I could

Miss you, miss you, miss you, I miss you

It's really hard to accept the fact that I can't

Fix you, fix you, fix you, fix you, ooh

Fix you, fix you, fix you, wish I could

Miss you, miss you, miss you, I miss you

It's really hard to accept the fact I can't fix you now

You said to me, "Baby, you was all in

I think we just probably should've stayed friends

I think that we probably could've saved tears (saved years)"

Just understand, it's not like me to give my heart away, ay

Now, you've taken distance, and it's hard to take, ay

I tried everything to get your thoughts to change, ay

I tried not to listen when they all would say, ay

This was temporary, and you'd walk away

It'll always be easy to blame you

But it's my fault for thinkin' I could

Fix you, fix you, fix you, fix you, ooh

Fix you, fix you, fix you, wish I could

Miss you, miss you, miss you, I miss you

It's really hard to accept the fact that I can't

Fix you, fix you, fix you, fix you, ooh

Fix you, fix you, fix you, wish I could

Miss you, miss you, miss you, I miss you

It's really hard to accept the fact I can't fix you now
