# This Is Your Life

Par The Killers

*Album : The Killers - Greatest Hits CD2*

Candy talks to strangers

Thinks her life's in danger

No one gives a damn about her hair

It's lonely down on track street

She used to go by Jackie

The cops, they'll steal your dreams and they'll kill your prayers

Take a number where the blood just barely dried

**Wait for something better**

**No one behind you**

**Watching your shadows**

**This feeling won't go**

Crooked wheels keep turning

Children, are you learning?

Climatize, but don't you lose the plot

A history of blisters

Your brothers and your sisters

Somewhere in the pages we forgot

Take a number, Jackie, where the blood just barely dried

You know I'm on your side

**Wait for something better**

**No one behind you**

**Watching your shadows**

You gotta be stronger than the story

Don't let it blind you

Rivers are shallow

**This feeling won't go**

Your sky is full of dreams

But you don't know how to fly

I don't have a simple answer

But I know that I could answer

Something better

**This feeling won't go**

Wait for it

Wait for it

Wait for it

Wait for it
