Under the Gun

Par The Killers

Album : Hot Fuss (Demo)

She's got her halo and wings

Hidden under his eyes

But she's an angel for sure

She just can't stop telling lies

But it's too late for his love

Already caught in a trap

His angel's kiss was a joke

And she is not coming back

Because heaven sends and heaven takes

Crashing cars in his brain

Keep him tied up to a dream

And only she can set him free

And then he says to me

Kill me now, kill me now, kill me now, kill me now

Kill me now, kill me now, kill me now, kill me now

Yeah she's got a criminal mind

He's got a reason to pray

His life is under the gun

He's got to hold every day

Now he just wants to wake up

Yeah, just to prove it's a dream

'Cause she's an angel for sure

But that remains to be seen

Because heaven sends and heaven takes

Crashing cars in his brain

Keep him tied up to a dream

And only she can set him free

And then he says to me

Kill me now, kill me now, kill me now, kill me now

Kill me now, kill me now, kill me now, kill me now

Stupid on the streets of london

James Dean in the rain

Without her it's not the same

But it's alright

Because heaven sends and heaven takes

Crashing cars in his brain

Keep him tied up to a dream

And only she can set him free

And then he says to me

Kill me now, kill me now, kill me now, kill me now

Kill me now, kill me now, kill me now, kill me now

Again and again
