### Feelin' (Encore) (Marquee 23/4/1991)

Par The La's

*Album : Callin' All*

Woke up with a feeling

I found me lying on the floor

Woke up in a ceiling

I must be dreaming

I get that feeling

**Oh my Lord, I'm cool to the core**

I can't stop that feeling

It just goes on forever more

What made me leave her

It's just a feeling

**That got my life dealing**

**Oh my Lord, I'm cool to the core**

I get the feeling

I am responding to a call

I am receiving

To get you this feeling

**That got my life dealing**

I could not ask for any more
