Hanging Johnny

Par The Longest Johns

Album : Brigand - Pieces of Eight

They call me Hanging Johnny

Away, boys, away!

But I never hanged nobody

So hang, boys, hang!

They says I hanged me mother

Away, boys, away!

My sister and me brother

So hang, boys, hang!

They says I hanged me granny

Away, boys, away!

And I hanged me whole damn family

So hang, boys, hang!

A rope, a beam, a ladder

Away, boys, away!

I'll hang ye all together

So hang, boys, hang!

Well, I hanged a rotten liar

Away, boys, away!

But I hanged the bloody friar

So hang, boys, hang!

They says I hang for money

Away, boys, away!

But hanging's so bloody funny

So hang, boys, hang!

We all will hang together

Away, boys, away!

It's all for better weather

So hang, boys, hang!
