The Cave (Cognito Fiesta Version)

Par The Mighty Mighty Bosstones

Album : Devil's Night Out

In a place where comfort shouldn't be

I found comfort and tranquility

I found friends that mean so much to me

In a place I never thought I'd be

The cave's never coming down on me

The cave really means so much to me

'Cause the cave, it only gives

I'm glad the cave is where I live

Ok, so sometimes things get out of hand

And piece of mind is in great demand

I climb up to the top

Look around and it all seems to stop

The cave's never coming down on me

And the cave really means so much to me

'Cause the cave, it only gives

I'm glad the cave is where I live

The cave's never coming down on me

The cave really means so much to me

'Cause the cave, it only gives

I'm glad the cave is where I live, alright
