As We Ran

Par The National Parks

Album : As We Ran

I remember well

It was long ago

And it's true there's things these photographs don't show

When she took my hand

Dreaming as we ran

We used the stars in the sky as our map

Singin' "oo-oo-oo," if you'll be mine

Then oo-oo-oo, we will climb

'Cause we belong here with the Great Tetons

Well we made our way

Up to the tree line

When the cloud fell down and covered us in white

And the world below

Was like a rolling sea

So we watched from the tallest peak

And we were singing "oo-oo-oo," if you'll be mine

Then oo-oo-oo, we will climb

'Cause we belong here with the Great Tetons

Oo-oo-oo, if you'll be mine

Then oo-oo-oo, we will climb

'Cause oo-oo-oo, you and I

We belong here with the Great Tetons

Yes we belong here with the Great Tetons
