Everybody's Watching Me (Uh Oh) (Chopped Not Slopped)

Par The Neighbourhood

Album : *I Love You. (Slowed Down)*

I told you I would tell you everything you want to know

You want me to tell you now

You pressure me to shout it, need to hear about it

Think that I would count you out

Hold up

You know I gotta do it the right way, mane, you know what I'm sayin'?

Holding it down for H Town

Holding it down for all the real Chopped Not Slopped Up lovers all over the world, mane

You feel me?

Yeah, rest in peace to DJ Screw, the creator

OG Ron C

ChopStars

I told you I would tell you everything you want to know

I told you I would tell you everything you want to know

I told you I would tell you everything you want to know

You want me to tell you now

You pressure me to shout it, need to hear about it

Think-think that I would count you out

I let you find it on your own

Then I found myself alone

Uh oh, where can I go?

Everybody's watching me

Uh oh, where can I go?

Everybody's watching me

Ooh ooh, what can I do

If you're not here to tell you?

Uh oh, where can I go?

Everybody's watching me

I go through all the trouble of keeping it within my walls

I go through all the trouble of keeping it within my walls

I go through all the trouble of keeping it within my walls

I go through all the trouble of keeping it within my walls

I try to be as subtle as I can

Soon enough it eats me, all I've done defeats me

It looks like you were right again

And again

I let you find it on your own

Then I found myself alone

Uh oh, where can I go?

Everybody's watching me

Uh oh, where can I go?

Everybody's watching me

Ooh ooh, what can I do

If you're not here to tell you?

Uh oh, where can I go?

Everybody's watching me

The more I'm wanted, the more I'm wanted

The less I'm home, the less I'm home

If I'm forgotten, if I'm forgotten

I'll be alone, I'll be alone, I'll be alone

With everybody watching me

Uh oh, where can I go?

Everybody's watching me

Uh oh, where can I go?

Everybody's watching me

Ooh ooh, what can I do

If you're not here to tell you?

Uh oh, where can I go?

Everybody's watching me

Watching me, watching me, me, me

They're watching me, me, me

They're watching me, me, me

Watching me, me, me (yeah)

Everybody's watching me (ChopStars)
