The Thoughts Of Emerlist Davjack (mono single)

Par The Nice

Album : The Thoughts Of Emerlist Davjack - CD1

I'm goin' back, goin' back, to be young again
to find a time to develop my mind and be kind
to really see, to really hear, to really live, to really love
and be kind

When I was young, I knew that I was right
then everything moved, I wandered out of sight

I'm goin' back

I'm goin' back

I'm goin' back

I'm goin' back, to be young
young, young, I'm goin' back
I'm goin' back, to be young again
I'm goin' back, I'm goin' back, to be young
young
