Amazed

Par The Offspring

Album : Running & Cycling with The Offspring

Sometimes I think I'm gonna drown

'Cause everyone around's so hollow

I'm alone

Sometimes I think I'm going down

But no one makes a sound

They follow

And I'm alone

Yeah if I make it I'd be amazed

Just to find tomorrow

One more day and I'd be amazed

Just to see it waiting

And if I make it I'm still alone

No more hope for better days

But if I could change

Then I'd really be amazed

And when you know you can't relate

To one more shiny face

Your heart breaks

No one cares

And when you know you can't go on

'Cause everything is wrong

Your heart breaks

But no one's there
