Par The Offspring

Album : Rise and Fall, Rage and Grace

Oh

I am the one, camouflage and guns

Risk my life to keep my people from harm

Authority vested in me

I sacrifice with my brothers in arms

Through this doorway, what's on the other side?

Never knowin' exactly what I'll find

Locked and loaded, voices screaming, "Let's go"

Come on, do it, here we go

Oh, I'll take a life that others may live

Oh, that's just the way it goes

Oh, I'll shut my eyes, it hammers in my head

Where it'll end, nobody knows

I'll take this life, ten others may live

Oh, that's just the way it goes

It's playing over and over in my head

Where it'll end, nobody knows

Stay the course, reasonable force

I believe I serve a greater good

Smoke and dust, enemies are crushed

Nothing left where a man once stood

Through this doorway, what's on the other side?

Never knowin' exactly what I'll find

Locked and loaded, voices screaming, "Let's go"

I'm just doing what I'm told

I'll take a life that others may live

Oh, that's just the way it goes

I'll shut my eyes, it hammers in my head

Where it'll end, nobody knows

I'll take this life, ten others may live

Oh, that's just the way it goes

It's playing over and over in my head

Where it begins and where it'll end, nobody knows

Hey, go

Go, let's go, let's go

Bang, bang, it hammers in my head

Bang, bang, it hammers in my head

Bang, bang, it hammers in my head

In my head, in my head

Yeah, though I walk through the valley of the shadow of death

I fear no evil for thou art with me

Locked and loaded, gonna find my truth now

I'm busting through, all hell breaks loose, and

(Woo-hoo) and you can all hide behind your desks now

(Woo-hoo) and you can cry, "Teacher, come help me"

(Woo-hoo) through you all, my aim is true, oh

(Woo-hoo)

(Woo-hoo) my aim is true

(Woo-hoo)

My aim is true
