Say It Isn't So

Par The Outfield

Album : Big Innings - The Best Of The Outfield

You got me all screwed up

So much I can't turn 'round

And I've been running about with some funny girls

I'm not so tough

But if you let me down (I'll tell ya)

I'd give you just one day to explain

I'd like to know if there's somebody else in this game

Say it isn't so (tell me I'm the only one)

Say it isn't so (without you I can't go on)

How was I to know (if you keep me guessing I don't understand)

I can't sleep at night

I keep on dreaming you're gone

I'm staring into a space that was filled by your face

Facing the day

A face in the crowd

I'm sure I saw you just a moment ago

There must be something you don't want me to know

Say it isn't so (you've got the magic touch)

Say it isn't so (the one that I need so much)

How was I to know (if you keep me guessing I don't understand)

There's something wrong, suspicion's getting stronger

Don't know if I can stand this pain much longer

You play around, but I see right through you

It's lonely on the streets when it's just 1:00 a.m

See a lot of pretty girls passing by

I'm walking in the midnight sun once again

And now I know why love is so blind

'Cause when you're out of my sight

I'm out of your mind

Say it isn't so (tell me I'm the only one)

Say it isn't so (without you I can't go on)

How was I to know (if you keep me guessing I don't understand)

Say it isn't so (you've got the magic touch)

Say it isn't so (the one that I need so much)

Say it isn't so (tell me I'm the only one)

Say it isn't so (without you I can't go on)

Say it isn't so

Say it isn't so

Say it isn't so

Say it isn't so

Say it isn't so

Say it isn't so
