# My Prayer

Par The Platters

*Album : Twin Peaks: Music From the Limited Event Series*

When the twilight is gone and no songbirds are singing

When the twilight is gone you come into my heart

And here in my heart you will stay while I pray

My prayer is to linger with you

At the end of the day in a dream that's divine

My prayer is a rapture in blue

With the world far away and your lips close to mine

Tonight while our hearts are a glow

Oh tell me the words that I'm longing to know

My prayer and the answer you give

May they still be the same for as long as we live

That you'll always be there at the end of my prayer
