Only you

Par The Platters

Album : 100% Hits - Slow (CD3)

Only you can make this world seem right

Only you can make the darkness bright

Only you and you alone can thrill me like you do

And fill my heart with love for only you

Oh, only you can make all this change in me

For it's true, you are my destiny

When you hold my hand, I understand the magic that you do

You're my dream come true, my one and only you

Oh-oh, only you can make all this change in me

For it's true, you are my destiny

When you hold my hand, I understand the magic that you do

You're my dream come true, my one and only you (one and only you)
