Every Little Thing She Does Is Magic

Par The Police

Album : Every Breath You Take - The DVD

Though I've tried before to tell her
Of the feelings I have for her in my heart
Every time that I come near her
I just lose my nerve as I've done from the start

Every little thing she does is magic

Everything she do just turns me on

Even though my life before was tragic

Now I know my love for her goes on

Do I have to tell the story
Of a thousand rainy days since we first met?

It's a big enough umbrella

But it's always me that ends up getting wet

Every little thing she does is magic

Everything she do just turns me on

Even though my life before was tragic

Now I know my love for her goes on

I resolved to call her up

A thousand times a day

And ask her if she'll marry me

Some old-fashioned way

But my silent fears have gripped me

Long before I reach the phone

Long before my tongue has tripped me

Must I always be alone

Every little thing she does is magic

Everything she do just turns me on

Even though my life before was tragic

Now I know my love for her goes on

Every little thing she does is magic

Everything she do just turns me on

Even though my life before was tragic

Now I know my love for her goes on

On and on and on and

Every little thing, every little thing

Every little thing, every little thing

Every little, every little, every little

Every little thing she does

Every little thing she does

Every little thing she does

Every little thing she does

Thing she does is magic

E-oh E-oh E-oh E-oh E-oh E-oh E-oh E-oh

E-oh E-oh E-oh E-oh E-oh E-oh E-oh E-oh

Every little thing, every little thing

Every little thing she do is magic, magic, magic

Magic, magic, magic

Oh oh, Oh oh

E-oh oh oh oh oh

I have to tell a story

Of a thousand rainy days since we first met

It's a big enough umbrella

But it's always me that ends up getting wet
