# Still Loving You

Par The Scorpions

*Album : Top 40 En Tipparade uit 1987*

Time, it needs time

To win back your love again

I will be there

I will be there

Love, only love

Can bring back your love someday

I will be there

I will be there

Fight, babe, I'll fight

**To win back your love again**

**I will be there**

**I will be there**

**Love, only love**

Can bring down the wall someday

**I will be there**

**I will be there**

**If we'd go again**

**All the way from the start**

**I would try to change**

**Things that killed our love**

**Your pride has built a wall**

**So strong that I can't get through**

**Is there really no chance**

**To start once again?**

I'm loving you

And try, baby, try

To trust in my love again

**I will be there**

**I will be there**

Love, our love

Shouldn't be thrown away

**I will be there**

**I will be there**

**If we'd go again**

**All the way from the start**

**I would try to change**

**Things that killed our love**

**Your pride has built a wall**

**So strong that I can't get through**

**Is there really no chance**

**To start once again?**

**If we'd go again**

**All the way from the start**

**I would try to change**

**Things that killed our love**

Yes, I've hurt your pride

And I know what you've been through

You should give me a chance

This can't be the end

**I'm still loving you**

**I'm still loving you**

I'm still loving you, I need your love

**I'm still loving you**

Still loving you, baby

I'm still loving you

I need your love

I'm still loving you

I need your love

I need your love

I need your love

Still loving you
