Beautiful

Par The Smashing Pumpkins

Album : MCIS Demos I

Beautiful, you're beautiful

As beautiful as the sun

Wonderful, you're wonderful

As wonderful as they come

And I can't help but feel attached

To the feelings I can't even match

With my face pressed up to the glass

Wanting you

Beautiful, you're beautiful

As beautiful as the sky

Wonderful, it's wonderful

To know that you're just like I

And I'm sure you know me well

As I'm sure you don't

But you just can't tell

Who'll you love and who you won't

No, who'll you love and who you won't

And I love you, as you love me

So let the clouds roll by your face

We'll let the world spin on to another place

We'll climb the tallest tree above it all

To look down on you and me and them

And I'm sure you know me well

As I'm sure you don't

But you just can't tell

Who you'll love and who you won't

No, who'll you love and who you won't

No no, who'll you love and who you won't

No no

Don't let your life wrap up around you

Don't forget to call, whenever

I'll be here just waiting for you

I'll be under your stars forever

Neither here nor there just right beside you

I'll be under the stairs forever

Neither here nor there just right beside you
