Shakedown, 1979

Cool kids never have the time

On a live wire right up off the street

You and I should meet

June bug skipping like a stone

With the headlights pointed at the dawn

We were sure we'd never see an end to it all

And I don't even care to shake these zipper blues

And we don't know just where our bones will rest

To dust, I guess forgotten and absorbed to the Earth below

Double-cross the vacant and the bored

They're not sure just what we have in store

Morphine city slippin' dues down to see

That we don't even care as restless as we are
We feel the pull in the land of a thousand guilts
And poured cement

Lamented and assured
To the lights and towns below
Faster than the speed of sound
Faster than we thought we'd go
Beneath the sound of hope

Justine never knew the rules
Hung down with the freaks and the ghouls
No apologies ever need be made
I know you better than you fake it to see

That we don't even care to shake these zipper blues

And we don't know just where our bones will rest

To dust, I guess forgotten and absorbed to the Earth below

The street heats the urgency of now
As you see there's no one around
