Par The Smashing Pumpkins

Album : Black Sessions

What moon songs do you sing your babies?

What sunshine do you bring?

Who belongs, who decides who's crazy?

Who rights wrongs where others cling?

I'll sing for you

If you want me to

I'll give to you

And it's a chance I'll have to take

And it's a chance I'll have to break

I go along, just because I'm lazy

I go along to be with you

And those moon songs that you sing your babies

Will be the songs to see you through

I'll hear your song

If you want me to

I'll sing along

And it's a chance I'll have to take

And it's a chance I'll have to break

I'm in love with you

I'm in love with you

I'm in love with you and you

I'm in love with you (so in love)

I'm in love with you (with you)

I'm in love with you and you

I'm in love with you (so in love)

I'm in love with you (I'm so in love)

I'm in love with you
