# Thru the Eyes of Ruby

Par The Smashing Pumpkins

*Album : Mellon Collie and the Infinite Sadness*

Wrap me up in always

And drag me in with maybes, yeah

Your innocence is treasure

Your innocence is death

Your innocence is all I have

Breathing underwater

And living under glass

And if you spin your love around

**The secrets of your dreams**

**You may find your love is gone**

**And is not quite what it seemed**

**To appear to disappear**

## **Beneath all your darkest fears**

I believe in never

I believe in all the way

But belief is not to notice

Believe is just some faith

And faith can't help you to escape

And with this ring I wed thee true

And with this ring I wed thee now

And with this ring I play so dead

But no one's asking for the truth

So let me tell you

If you spin your love around

## **The secrets of your dreams**

## **You may find your love is gone**

## **And is not quite what it seemed**

## **To appear to disappear**

## **Beneath all your darkest fears**

To the revelations of fresh faced youth

No one will come to save you

So speak your peace in the murmurs drawn

But youth is wasted on the young

Your strength is my weakness

Your weakness my hate

My love for you just can't explain why

We're forever frozen

Forever beautiful

Forever lost inside ourselves

**The night has come to hold us young**

**The night has come to hold us young**

**The night has come to hold us young**

**The night has come to hold us young**

**The night has come to hold us young**

**The night has come to hold us young**
