Take Your Time (Do It Right)

Par The S.O.S. Band

Album : Studio 54 OST 1

Let's do it

Let's do it

Oh

Let's do it

Baby

Take your time

Let's do it

Come on, Baby

Oh

Let's do it

Baby

Take your time

Let's do it

You know you ought to slow down

You been working too hard

And that's a fact

Sit back and relax a while

Take some time to laugh and smile

Lay your heavy load down

So we can stop and kick back

It seems we never take the time to do

All the things we want to, yeah

Now, Baby we can do it

Take the time

Do it right

We can do it, baby

Do it tonight

Baby, we can do it

Take the time

Do it right

We can do it, baby

Do it tonight

The love I feel for you

You feel for me

One life is all we have to live

Our love is all we have to give, yeah

There are so many things

For us to do and see

Let's take some time to be alone

Lock the door

Pull out the phone, yeah

And baby we can do it

Take the time

Do it right

We can do it, baby

Do it tonight

Baby, we can do it

Take the time

Do it right

We can do it, baby

Do it tonight

Baby we can do it

Take the time

Do it right

We can do it, baby

Do it tonight

Baby, we can do it

Take the time

Do it right

We can do it, baby

Do it tonight

Take your time

Take the time

Take the time...
