# I Am The Resurrection

Par The Stone Roses

*Album : Cigarettes And Alcohol Vol.1 CD1*

Down, down, you bring me down

I hear you knocking down my door and I can't sleep at night

Your face it has no place

No room for you inside my house I need to be alone

**Don't waste your words I don't need anything from you**

**I don't care where you've been or what you plan to do**

Turn, turn, I wish you'd learn

There's a time and place for everything I've got to get it through

Cut loose 'cause you're no use

I couldn't stand another second in your company

**Don't waste your words I don't need anything from you**

**I don't care where you've been or what you plan to do**

Stone me, why can't you see

You're a no-one nowhere washed up baby who'd look better dead?

Your tongue is far too long

I don't like the way it sucks and slurs upon my every word

**Don't waste your words I don't need anything from you**

**I don't care where you've been or what you plan to do**

**I am the resurrection and I am the life**

**I couldn't ever bring myself to hate you as I'd like**

**I am the resurrection and I am the life**

**I couldn't ever bring myself to hate you as I'd like**
