Smile

Par The Supernaturals

Album : Cigarettes And Alcohol - 40 Modern Anthems (Disc 2)

Every silver lining has a cloud

And each piece of good fortune must be paid for by the pound

I've become so cynical these days,

I don't know how it started but it won't go away

See the lines around my eyes,

See the sarcasm in my smile,

You'd better smile

Smile

Cause that's all that you've got left,

Your life's a mess, you've been cut adrift

You'd better smile

I feel like a dalek inside,

Everything's gone grey but used to be so black and white

See the lines around my eyes,

See the sarcasm in my smile,

You'd better smile

Smile

I've become so cynical these days,

I don't know how it started but it won't go away

You'd better smile

Cause that's all that you've got left,

Your life's a mess, you've been cut adrift
