# Superstar (Remember How You Got Where You Are?)

Par The Temptations

*Album : Anthology [1995] (2 of 2)*

Higher, higher

Fire

**Don't change your style now that you've reached the top**

**Don't choose your friends by what they've got**

**Remember beneath the glitter and gleam**

**Like everyday people you're just a human being**

Superstar, good God

Enjoy your champagne and caviar

And your chauffeur drivin' fancy car

But remember how you got where you are

Oh ho ho, 'cause the same folks that made you

Um hum, you better believe they can break you

No you didn't make it all by yourself

You had help from somebody else

The truth is the light, don't let it depress you

You just be thankful that the good Lord made you

Superstar, ah do you know who your real friends are

**Ah, talkin' to you**

**Superstar, remember how you got where you are**

Ah ah down, down, down, down

Drummer keep it going, going

Horns star blowin', right on time

Blow my mind

Higher higher, higher higher

It's easy for you to look down

Turn up your nose and frown

Now that you're on top, top

Bright lights

Don't let the bright lights blind you

Bridges

Don't burn 'em behind you

**Superstar, superstar do you know who your real friends are**

**Ah, talkin' to you**

**Superstar, remember how you got where you are**

Um hum, um hum

**Don't change your style now that you've reached the top**

**Don't choose your friends by what they've got**

**Remember beneath the glitter and gleam**

**Like everyday people you're just a human being**

**Superstar, superstar do you know who your real friends are**
