Dreaming Of You

Par The Thrillseekers

Album : Dream Dance, Volume 25 (disc 2)

Dreaming Of You

Dreaming of you, yeah

Dreaming of you

Dreaming of you, yeah

Dreaming of you

I wish that, I could be

The one thing, that you really need

I'm broken, and bitter

You left me, with nothing underneath

I drove you, too far

I see that, but I can't find my peace

And I'd fake it, if I thought it

Would make it, easier to breath

I tell you baby all my dreams come true

When I'm laying next to you

Is that so wrong

I tell you baby all my dreams come true

Wanna be the way you are

So why hold on

Dreaming of you, yeah

Dreaming of you

Dreaming of you, yeah

Dreaming of you

Didn't know what just to do

When you said we could be friends

I lied to you

Could it be the last goodbye

When this feeling never ends

You need me too

I tell you baby all my dreams come true

When I'm laying next to you

Is that so wrong

I tell you baby all my dreams come true

Wanna be the way you are

So why hold on

Dreaming of you, yeah

Dreaming of you

Dreaming of you, yeah

Dreaming of you

Dreaming of you, you're my dream come true

I'll hold on to you

I'll never let you go

I'll never let you go
