Courage (For Hugh MacLennan)

Par The Tragically Hip

Album : Night One @ The Orpheum

Watch the band through a bunch of dancers

Quickly, follow the unknown with something more familiar

Quickly, something familiar

Courage, my word, it didn't come, it doesn't matter

Sleepwalk, so fast asleep in a motel

That has the lay of home and piss on all of your background

And piss on all your surroundings

Courage, my word, it didn't come, it doesn't matter

Courage, your word, it didn't come, it doesn't matter

Courage, my word, it didn't come, it doesn't matter

Courage, it couldn't come at a worse time

There's no simple explanation

For anything important any of us do

And yeah, the human tragedy

Consists in the necessity

Of living with the consequences

Under pressure, under pressure

Courage, my word, it didn't come, it doesn't matter,

Courage, your word, it didn't come, it doesn't matter

Courage, my word, it didn't come, it doesn't matter

Courage, it couldn't come at a worse time

It couldn't come at a worse time

It couldn't come at a worse time

Courage
