Dope Train

Par The Vines

Album : Live at the Wireless

I hear the sound

Comin' up

Goin' down

Danger in the hollow

Sewer on the side

Waitin' for the morrow

Dope to get ya by

See for a mile

What I mean

To decide

Danger in the hollow

Sewer on the side

Waitin for the morrow

Dope to get ya by

You're forever dreamin'

And forever bored

Everything ya needed

I just cold ignore
