Ball And Biscuit

Par The White Stripes

Album : 2007/06/19 New York, NY

It's quite possible that I'm your third man, girl

But it's a fact that I'm the seventh son

It's quite possible that I'm your third man, girl

But it's a fact that I'm the seventh son

And right now you could care less about me

But soon enough you will care, by the time I'm done

Let's have a ball and a biscuit, sugar

And take our sweet little time about it

Let's have a ball, girl

And take our sweet little time about it

Tell everybody in the place to just get out

We'll get clean together

And I'll find me a soapbox where I can shout it

Yeah

You'll read it in the newspaper

Ask your girlfriends and see if they know

Read it in the newspaper

Ask your girlfriends and see if they know

That my strength is ten-fold, girl

I'll let you see it if you want to before you go

Let's have a ball and a biscuit, sugar

And take our sweet little time about it

Let's have a ball

And take our sweet little time about it

Tell everybody in the place to just get out

We'll get clean together

And I'll find me a soapbox where I can shout it

And I can think of one or two things to say about it

Now listen

Do you get the point now?

Yeah

It's quite possible that I'm your third man

But it's a fact that I'm the seventh son

It was the other two which made me your third

But it's my mother who made me the seventh son

And right now you could care less about me

But soon enough you will care by the time I'm done

Yeah, you just wait

You stick around

You'll figure it out
