Well It's True That We Love On

Par The White Stripes

Album : Elephant

Well, it's true that we love one another

I love Jack White like a little brother

Well, Holly I love you too

But there's just so much that I don't know about you

Jack, give me some money to pay my bills

All the dough I give you, Holly, you've been using on pain pills

Jack, will you call me if you're able?

I got your phone number written in the back of my Bible

Jack, I think you're pulling my leg

And I think maybe I better ask Meg

Meg, do you think Jack really loves me?

You know, I don't care, 'cause Jack really bugs me

Why don't you ask him now?

Well, I would but Meg, I really just don't know how

Just say, "Jack, do you adore me?"

Well, I would Holly but love really bores me

Then I guess we should just be friends

I'm just kidding Holly

You know that I'll love you 'til the end

Well, it's true that we love one another

I love Jack White like a little brother

Well, Holly I love you too

But there's just so much that I don't know about you

Holly, give me some of your, English loving

If I did that Jack, I'd have one in the oven

Why don't you go off and love yourself?

If I did that Holly

There won't be anything left for anybody else

Jack, it's too bad about the way that you look

You know I gave that horse a carrot, so he'd break your foot

Will the two of you cut it out?

And tell them what it's really all about

Well, it's true that we love one another

I love Jack White like a little brother

Well, Holly I love you too

But there's just so much that I don't know about you

That was good (jolly good)

Was that jolly good? (Yeah, very nice)

Jolly good, cup of tea then, Bruce

Let's celebrate
