You've Got Her In Your Pocket

Par The White Stripes

Album : 2007/06/19 New York, NY

You've got her in your pocket

And there's no way out now

Put it in the safe and lock it 'cause it's home sweet home

Nobody ever told you that it was the wrong way

To trick a woman, make her feel she did it her way

And you'll be there if she ever feels blue

And you'll be there when she finds someone new

What to do

Well you know

You keep her in your pocket

Where there's no way out now

Put it in a safe a lock it 'cause it's home sweet home

The smile on your face made her think she had the right one

And she thought she was sure by the way you two could have fun

But now she might leave like she's threatened before

Grab hold of her fast before her feet leave the floor

And she's out the door

Cause you want to keep her in your pocket

Where there's no way out now

Put it in a safe and lock it cause it's home sweet home

And in your own mind you know you're lucky just to know her

And in the beginning all you wanted was to show her

But now you're scared, you think she's running away

You search in your hand for something clever to say

Don't go away

Cause I want to keep you in my pocket where there's no way out now

Put it in a safe and lock it 'cause it's home sweet home

Home sweet home
