Happy - The Wrens

Par The Wrens

Album : 821 Greatest Hit Singles of the 2000s FLAC

You're the one I want

You're a chance to take

You're a hard break

And swore you'd never leave again

You're the only one

That I ever trusted

Or whoever cared at all

Is this how it's going to be?

Is this how you wanted me?

Broken down again

It's almost over now

(It's almost over now)

Is this why you wanted me?

To watch as you walk away

You kept on killing me

And you don't even want to touch me

You don't even want to touch me

I was wrong

I've wasted on

Can't figure out

What happened to us

I won't count on, you anymore

I'll be all right

Don't worry 'bout me

Aren't you happy now?

You got what you want

I wanted you

But I'm over that now

I'm over it

I'm so sick of you and what we went through

Your lies to me

Won't win again

So don't kid yourself

It's better this way

It's all back to me
