Angels

Par The xx

Album : Dermot O'Leary Presents The Saturday Sessions 2013

Light reflects from your shadow

It is more than I thought could exist

You move through the room

Like breathing was easy

If someone believed me

They would be

As in love with you as I am

They would be

As in love with you as I am

They would be

As in love with you as I am

They would be

In love, love, love

And everyday

I am learning about you

The things that no one else sees

And the end comes too soon

Like dreaming of angels

And leaving without them

And leaving without them

Being

As in love with you as I am

Being

As in love with you as I am

Being

As in love with you as I am

Being

As in love, love, love

Love, love, love

Love, love, love

And with words unspoken

A silent devotion

I know you know what I mean

And the end is unknown

But I think I'm ready

As long as you're with me

Being

As in love with you as I am

Being

As in love with you as I am

Being

As in love with you as I am

Being

As in love, love, love
