### Shelter

Par The xx

*Album : The xx*

I find shelter in this way

Under cover hideaway

Can you hear when I say

"I have never felt this way"?

**Maybe I had said something that was wrong**

**Can I make it better with the lights turned on?**

**Maybe I had said something that was wrong**

**Can I make it better with the lights turned on?**

Could I be, was I there?

It felt so crystal in the air

I still want to drown whenever you leave

Please teach me gently how to breathe

And I'll cross oceans like never before

So you can feel the way I feel it too

And I'll mirror images back at you

So you can see the way I feel it too

**Maybe I had said something that was wrong**

**Can I make it better with the lights turned on?**

**Maybe I had said something that was wrong**

**Can I make it better with the lights turned on?**

**Maybe I had said something that was wrong**

**Can I make it better with the lights turned on?**

**Maybe I had said something that was wrong**

**Can I make it better with the lights turned on?**

**Maybe I had said something that was wrong**

**Can I make it better with the lights turned on?**
