Ruby, My Dear

Par Thelonious Monk

Album : Thelonious Monk With John Coltrane

Sugar, I call my baby my sugar

I never maybe my sugar

That sugar baby of mine

He's special ration

Funny, he never asks for my money

All I give him is honey

And that he can spend anytime

I'd make a million trips to lips

It I were a bee

Because he's sweeter than chocolate candy to me

He's confectionery

Sugar, I never cheat on my Sugar

Cause I'm too sweet on my Sugar

That sugar baby of mine
