Was It a Dream?

Par Thirty Seconds to Mars

Album : A Beautiful Lie

Your defenses were on high

Your walls built deep inside

Yeah, I'm a selfish bastard

But at least I'm not alone

My intentions never change

What I wanted stays the same

And I know what I should do

It's time to set myself on fire

Was it a dream?

Was it a dream?

Is this the only evidence that proves it

A photograph of you and I?

Your reflection I've erased

Like a thousand burned out yesterdays

Believe me when I say goodbye forever

Is for good

Was it a dream?

Was it a dream?

Is this the only evidence that proves it

A photograph of you and I?

Whoa, yeah! Whoa

Was it a dream?

Was it a dream?

Is this the only evidence that proves it

A photograph of you and I?

(A photograph of you and I)

Was it a dream?

Was it a dream?

Is this the only evidence that proves it

A photograph of you and I

A photograph of you and I

A photograph of you and I?

In love
