# You Are My Life

Par Thomas Anders

*Album : Different*

I'm Hoping - By The Time You Hear This Words

You'll Have A Change Of Heart - Along The Way

I Love You - And It's No Ordinary Want

It Sends Me Every Time - I Hear Your Name

I Welcome Every Day - As Precious And Brand New

**No Day Will Go To Waste - Sharing With You**

**You Are My Life**

**You're All I Am**

**I Can't Live Without You**

**You're The One - Who Understands**

**You Are My Life**

**You're All I Am**

My Life Can Be Yours Again

I'm Holding - All The Years We Had Up To The Light

The Falling Out We Might Affair Just Face

Believe Me - That Just One Sentiment Tonight - Sentiment Tonight

It's So Much More Than All Fun Mistakes

We Can Welcome Every Day - As Precious And Brand New

**No Day Will Go To Waste - Sharing With You**

**You Are My Life**

**You're All I Am**

**I Can't Live Without You**

**You're The One - Who Understands**

**You Are My Life**

**You're All I Am**

My Life Can Be Yours Mmm...
