We Are Detective

Par Thompson Twins

Album : Lista Przebojów Programu 3 [1983]

Somebody's watching me

And now I'm nervous

And I shouldn't be

Somebody's got their eye on me

Perhaps I should invite him up for tea?

We saw him smoking by the newspaper stand

There's something odd about his gloved left hand

Saw him again inside the old cafe

He makes us tense

We wish he'd go away

We are detective

We are select

We are detective

Come to collect

Somebody's after me

He left his footprints by the garden tree

Last night when I got home

I got the feeling I was not alone!

Someone is on our tail

We think they're opening up our morning mail

And now each time the telephone rings,

We think of frightening thing.

We are detective

We are select

We are detective

Come to collect

We dress up in disguise

To get away from all those prying eyes

Our friends all think we're mad

But we know better

'Cause the spy is bad!

We are detective

We are select

We are detective

Come to collect
