My Little Girl

Par Tim McGraw

Album : Top 20 Hot Country Songs

Gotta hold on easy as I let you go
Gonna tell you how much I love you
Though you think you already know
I remember I thought you looked like an angel
Wrapped in pink, so soft and warm
You've had me wrapped around your finger
Since the day you were born

You beautiful baby from the outside

Chase your dreams but always know the road that'll lead you home again

Go on, take on this whole world but to me, you know you'll always be

My little girl

When you were in trouble that crooked little smile could melt my heart of stone

Now look at you, I've turned around and you've almost grown

Sometimes you're asleep I whisper "I love you" in the moonlight at your door

As I walk away, I hear you say, "Daddy, love you more"

You beautiful baby from the outside

Chase your dreams but always know the road that'll lead you home again

Go on, take on this whole world but to me, you know you'll always be

My little girl

Someday, some boy will come and ask me for your hand

But I won't say yes to him unless I know he's the half that makes you whole

He has a poet's soul, and the heart of a man's man

I know he'll say that he's in love but between you and me

He won't be good enough

You beautiful baby from the outside

Chase your dreams but always know the road that'll lead you home again

Go on, take on this whole world but to me you know you'll always be

My little girl
