When the Heartache Is Over

Par Tina

Album : 15 Greatest Hits

Once in a lifetime you find
Someone to show you the way
Someone to make your decisions
But I let you lead me astray
Who did you think you were fooling?
Said you were missing me blind
But the truth is I knew you were lying
You were using me time after time

When the heartache is over

I know I won't be missing you (missing you)

Won't look over my shoulder

'Cause I know that I can live without you

Oh, live without you

Oh, I can live without you

Time to move on with my life now

Leaving the past all behind

I can make my own decisions

It was only a matter of time

Sometimes I look back in anger

Thinking about all the pain

But I know that I'm stronger without you

And that I'll never need you again

When the heartache is over

I know I won't be missing you (missing you)

Won't look over my shoulder

'Cause I know that I can live without you

Oh, live without you

Oh, I can live without you

When the heartache is over

I know I won't be missing you

Won't look over my shoulder

'Cause I know that I can live without you, oh

When the heartache is over

I know I won't be missing you (missing you)

Won't look over my shoulder

'Cause I know that I can live without you

Yeah, yeah, yeah, yeah, yeah, yeah, yeah, I can live without you

Oh, I can live without you

Live without you

I can live without you, yeah

I can live without you
