For Days

Par Tiphe

Album : Purpose & Poetry

I said the stars will align when the time comes

I'm ready for the outcome

I never let it hang on me

I'm notified when the troubles and the trials come

Call on daddy mo ni ya kan

I'm Better off and you can't touch me

(Uhn uhn)

The world got me

The steps i take

Bear my burden

I never change

Over my body

You know I can't stop

Oh I'm never healed

I'm never sick

The life I live

Is the best of me

My melodies

Is the wall I lean on

(Oh oh oh)

I stay high for days

All of the moment I live for

I can't even embrace them

I took time

To trace

All of the things I even talk

I can't even portray them

(Oh no)

And it is written in the scripture

I am blessed

Every year that I live on

Oh I'm here everytime dem go see us

Oh I'm bless forever

(Forever ye ye ye)

Won ma da mi mo

If I up my game

I'm truly yours

I dey here Kampe

In another world

I go chose this game

I go play again

I'm not here to play

Emi okunrin meta

Okunrin meta ata bo

Gucci mo wo

Ni gba ti mo fe wo Lu

Ele bi Gaza shemo (ah)

Emi ata Awon nigga

La Jo man ke gbajamo

Stress anybody

If dem won kana us

Back to me root

Dem honor wa jor

Won gbe wa ga (oh)
