Au-to-matic

Doo, doo, doo, doo, doo (doo)

Doo, doo, doo, doo, doo (doo)

Doo, doo, doo, doo, doo

Au-to-matic

Doo, doo, doo, doo, doo (doo)

Doo, doo, doo, doo, doo

Doo, doo, doo, doo, doo, doo (yeah)

Doo, doo, doo, doo, doo

I remember when I fell for you

It wasn't when I wanted to

But you were acting so into me

Au-to-matic

Think real good for martha too

Just like every relationship

We gotta earn the trust too

And can't get it baby

I know many starts to changed

We could never be the same

I could do it when you do it to me

Au-to-matic

I know if it came to be

We could get a chance to see

A side of each other

That we'd all hidden up

What do you do to make me feel

So good for so long

Then take it back

And expect me to be alone

I can get cold

But if you're gonna do me wrong

I'll get you back

Baby that's just just automatic

I remember when I met

The man with all the confidence

Every day was promises to me

Au-to-matic

Then you step way out of line

Cheat on me too many times

I'm trynna put you down

All that comes around goes back around (yeah)

I know many start to changed

We could never be the same

I could do it when you do it to me

Au-to-matic

I know if it came to be

We could get a chance to see

A side of each other

That we'd all hidden up

That's

Just

Au-to-matic

That's just, just automatic

That's just, just

That's just, just automatic

That's just, just (oh)

That's just, just automatic

That's just, just

That's just, just automatic

That's just, just (baby)

Doo, doo, doo, doo, doo (doo)

Doo, doo, doo, doo, doo (doo)

Doo, doo, doo, doo, doo

Au-to-matic

Doo, doo, doo, doo, doo (doo)

Doo, doo, doo, doo, doo (doo)

Baby that's just just automatic

Au-to-matic
