Dear Lie

Par TLC

Album : Totally Hits 02

Dear lie

You suck

You said you could fix anything

Instead I'm fucked

You made things even worse for me

If I had balls I'd tell you get away from me

Guess I'm not smart

I let you unnerve me

I let you control me

Afraid the truth would hurt me

When it's you that hurts me more

Get outta my mouth

Get outta my head

Get outta my mind

Stop puttin' words in my head

Get outta my mouth

You're nothing but trouble

Get outta my life

Get out of me

Out of me (out of me)

Out of me

Out of me lie

Lie lie lie lie

Dear lie

You're dumb

You think you've got the best of me

You think you won

Misread my vulnerability

I've got your walls

Now get the hell away from me

I've learned your art

Won't let you unnerve me

Won't let you control me

The truth will only free me

And your lies won't hurt no

No more

Get outta my mouth

Get outta my head

Get outta my mind

Stop puttin' words in my head

Get outta my mouth

You're nothing but trouble

Get outta my life

Get out of me

Out of me (out of me)

Out of me

Out of me lie

Lie lie lie lie

Lie lie

I've got

Your walls

Now get the hell away from me

I learned your art

Won't let you unnerve me

Wont' let you control me

The truth will only free me

And your lies won't hurt no

No more

Get outta my mouth

Get outta my head

Get outta my mind

Stop puttin' words in my head

Get outta my mouth

You're nothing but trouble

Get outta my life

Get out of me

Out of me (out of me)

Out of me

Out of me lie

Lie lie lie lie

Lie lie

Dear lie

Lie Lie Lie Lie

Lie Lie

Dear lie
