La La La (Just Having You Here)

Par Tom Jones

Album : Tom Jones the Complete Decca Studio Albums Collection

La la la la la la lalala lalalalalala

Lalalala la la la la

It's up too that sugar sweet

But next to you girl, it cannot compete

You're one in a million, so don't go nowhere

I feel good all over just-a having you here

The way I love you, God only knows

I love you baby, from your head to your toes

You create such a sweet atmosphere

I feel good all over just having you here

And girl, girl

I want you to know one thing

With all the time you bought me,

All I wanna do is sing sing sing sing sing sing

La la la la la la lalala lalalalalala

Lalalala la la la la

Finding diamonds is hard, it's true, but not as hard as finding someone like you

With you no gem could ever compare

I feel good all over just having you here

The way I love you, God only knows

I love you baby, from your head to your toes

With you my life, I want to share

I feel good all over just having you here

And girl, girl

I want you to know one thing

With all the time you bought me,

All I wanna do is sing sing sing sing sing sing

La la la la la la lalala lalalalalala

Lalalala la la la la

And girl, girl

I want you to know one thing

With all the time you bought me,

All I wanna do is sing sing sing sing sing sing
