Ho

Yeah

Every time I think about the bright lights, I think about you, girl

Hollywood, stardom, fame, yes, that's you, girl

Great success was your demand

You didn't want an average man so every time I think

About the bright lights, I think about you, girl

Miniskirts, frilly curls, pretty face, yes, that's you, girl

Nighttime meets with the Hollywood set

Oh, that's you, girl

If you hit, you'll be number one, but if

You miss, right back home you'll run

And every time I think about the bright

Lights, I think about you, girl

Ho

Ho

Don't depend on the wink of your eye

Little girl, that shit won't get you by

'Cause every time I think about the

Bright lights, I think about you, girl

I think about you, girl

I think about you, girl

I think about you

Thank you

Thank you very much and good evening, ladies and gentlemen

I would like to say that it's great to be back once again in the

Flamingo Hotel, Las Vegas, America

Across the pond, as we say, back home

Isn't it warm here?

Yeah

Isn't it?

Not at all

Not at all, I know

Mm-hmm

All right

All right

You know, you know, some people, some people can't stop eating- ...

And other people can't stop drinking- ...

And other people can't stop- Drinking

Yeah

...

Smoking

But me-
