Don't Cry, Put Your Head On My Shoulder

Par Tom Odell

Album : A Wonderful Life

La-la, la-la

La-la, la-la

La-la-la

Don't cry, put your head on my shoulder

Tell me what happened, my friend

God knows how long I've known you

It always works out in the end

The door is locked, the kettle's screaming

And I can't stop this sinking feeling

Watching you do this damage to yourself

Knowing I can't help

But don't cry, put your head on my shoulder

Take all the time that you need

God knows I'm gonna show ya

It's never as bad as it seems

It hurts right now but it won't forever

We're gonna get through it together

You're doing your best

And what more can you do?

You know I think that you

Are gonna be alright, you're gonna be alright

Gonna be alright, I feel you're gonna be just fine

When this whole world has walked away

Come and find me, you're gonna hear me say

Don't cry, put your head on my shoulder

We'll figure out what to do

God knows, have I ever told ya?

I'm sorry for what you've been through

You're doing your best

And what more can you do?

Yeah, yeah, it's true, I said

La-la, la-la

La-la, la-la

La, la-la, la-la

La-la, la-la

La-la-la
